

Microsoft Hybrid Meetings Workshop

Come together to get work done.

Business challenge

Hybrid work is here to stay. According to research, over 80% of managers say they expect more flexible work from home policies, and more than 70% of employees say they expect to take advantage of them.

While hybrid work models offer organizations the ability to drive business forward while providing flexible options for employees, bringing people together in the virtual setting can pose a number of challenges.

Our solution

Our Microsoft Hybrid Meetings Workshop can help your organization thrive in this new world of hybrid work and realize more fully the benefits of deploying cloud-based solutions and services to bring people together no matter where they're located.

In this workshop, you'll learn how to use Microsoft Teams® to stay connected, collaborate seamlessly and simplify work in a secure and compliant way — all from one place.

Microsoft® Teams is where people come together to get work done, with Microsoft Teams Meetings and Microsoft Teams Rooms as the foundation. During the workshop, you'll learn how to:

- Gather information on current environment and meeting practices.
- Showcase hybrid meeting and meeting room experiences.
- Build a strategy and roadmap for deployment and adoption.
- Use Microsoft Teams to facilitate collaboration.

Benefits

- Understand the features and benefits of Microsoft Teams.
- Discover current collaboration capabilities.
- Enhance collaboration across dispersed teams.
- Increase productivity and efficiency.
