

# Microsoft Modernize Communications Workshop

Showcase modern calling capabilities.

## Business challenge

Now more than ever, businesses need a modern voice solution and phone system capabilities that combine unified communication and teamwork. Because implementation of calling solutions can be complex and involves network remediation, Microsoft 365™ service deployment, telephone number provisioning/porting and device deployment, customers need partners with this highly specialized skill set.

## Our solution

The Modernize Communications Workshop from Insight offers a modular engagement designed to help your organization experience the vision for Microsoft Teams® Phone and advanced communication scenarios. This Workshop will guide you through the process of a simplified enterprise voice solution with reliable, high-quality, integrated calling.

Through Art of the Possible demonstrations, use case design and deep-dive planning, you will obtain actionable recommendations to deploy and adopt Microsoft® Teams Phone.
